THE UNIVERSITY OF NORTH CAROLINA

DEPARTMENT OF MUSIC

Nov. 23, 1925.

To the Board of Governors,  
Phi Mu Alpha Sinfonia.

Dear Brothers:-

As the four Sinfonians connected with the faculty of the University of North Carolina, we wish to urge your favorable consideration of the application of the local, Lambda Phi Epsilon, for a charter. This group contains a splendid group of ~~x~~ students who are representative of the best musical talent of the campus. We feel that they are capable of upholding the standards and ideals of Sinfonia; and we feel that membership in Sinfonia would not only be of distinct help to them in their musical life here but would also be of very real benefit to the campus at large.

Fraternally yours,

*Stanley Porter Truselle*

THE UNIVERSITY OF NORTH CAROLINA

CHAPEL HILL

OFFICE OF THE PRESIDENT

23 November 1925

The Board of Governors  
Phi Mu Alpha Sinfonia.

Gentlemen:

It has come to my attention that a local honorary musical organization on the campus of the University of North Carolina, which has been in existence for a year or so, is petitioning for a charter from your organization. I am writing to say that the University would be glad to welcome a chapter of your honorary fraternity to its campus, and that I believe its existence here would be a great stimulus to a sustained interest in music.

We feel that the progress that has been made on the University campus in the last few years by way of a wider and better interest in musical things has been very encouraging, and the application for membership in your fraternity is wholly in line with the policies which the Department of Music is trying to carry out.

The personnel of the men making this application is such that I have every reason to believe that they will maintain a high level of achievement as the standard of the local organization, and I therefore give their application my hearty endorsement, and venture to express my conviction that such a chapter will be of value to them in their work, and I hope that the charter may be granted.

Very truly yours

*H.W. Blane*

President

THE UNIVERSITY OF NORTH CAROLINA

DEPARTMENT OF MUSIC

November 18, 1925.

Board of Governors,  
Phi Mu Alpha Sinfonia Fraternity,

Dear Brothers:

I am glad to give my hearty support to the local, Lambda Phi Epsilon, which is petitioning for a chapter in Sinfonia. I have been closely associated with this group of men since their organization, and I am convinced that they number in their membership the outstanding men of this campus musically. They represent a high type of man socially, without exception. The attitude of these men individually and collectively is exactly that which Sinfonia fosters, and I feel that they are distinctly worthy of recognition by the fraternity.

I am convinced that the granting of this chapter will be a distinct benefit to the cause of music on our campus, and I sincerely trust that the fraternity will act favorably on this application.

Fraternally yours,

P. J. Weller  
Director of Music

To the Board of Governors  
of Phi Mu Alpha Sinfonia.

Gentlemen:

I am glad to endorse the petition of the local Lambda Phi Epsilon for membership in your national organization. The Music Department's activities have, within the last few years, assumed a major place in the life of our undergraduates. Insofar as this office expresses the viewpoint of the University administration, that viewpoint is favorable to the entrance of departmental and professional fraternities. I should like to urge your favorable consideration of this petition.

November 25, 1925.

To the Board of Governors;--  
Phi Mu Alpha Sinfonia Honorary Fraternity.

Gentlemen;--

A serious group of young students of music and lovers of music here at the University have formed themselves into a local musical fraternity known as the Lambda Phi Epsilon, which has proven both profitable and pleasurable to them in increasing their interest in worth-while music.

They are now petitioning your honorable body to grant them a charter as a chapter of your national fraternity.

Knowing a large number of the petitioners personally, I take great pleasure in stating that they are distinctly high-class fellows, socially and intellectually, and I sincerely trust that their petition may receive favorable consideration at your hands.

Very sincerely yours,
